

PRICE LIST FOR REMOVING, CARRYING AWAY, AND DROPPING OFF IN VIENNA

For more than 7 years we have been involved in removing, carrying away, and dropping off of various things for our clients. We are engaged in Vienna, but also all over Austria, to take over the taking away and removing things from your apartment, business store, or office space. We also manage the disposal and transport of the unnecessary waste from your attic or basement.

We carry away the assets causing as little stress as possible, and we leave your place neatly clean afterward.

Here, you can take a look at our prices for removing, carrying away, and dropping off:

	Weighing cost	One time	€6
	Certified destruction of documents	Up to 150 kg	€40
		From 150 kg (per ton)	€90
Costs for shipping to landfill	Per 100 kg of waste		€30

You can find more information about our **waste disposal** service on our web page:
