

WIENER MÖBELPACKER

MOVING SERVICE FROM A TO Z

Are you planning your move to Vienna? Then it's a good idea to entrust your move to a professional moving company. With us, you can be sure that your private or business move will go smoothly. We offer a comprehensive moving service that covers everything involved.

OUR SERVICE

- **Experienced movers:** Our experienced movers professionally and securely disassemble and assemble your furniture.
- **Packing materials:** We take care of the right packing materials, the appropriate transport vehicle, and the transport of particularly heavy or valuable items.
- **Transport:** The transport is carried out safely and reliably by our professionals.
- **Storage:** We offer storage options for your furniture.

EVERYTHING RELATED TO YOUR MOVE

We handle your international move with the same expertise as moves within Austria.

COMPETENT STAFF

- Our staff is skilled and experienced. With their help and our excellent technical equipment, we can manage any move.
- From planning to execution, everything is in good hands with us.
- Upon request, painting and varnishing work can be completed quickly and precisely by professionals.
- We handle clearing out and disposing of unnecessary items from basements and attics.
- The packing materials are tailored to your belongings, including sturdy boxes of all sizes and padding material.

PRIVATE AND COMPANY RELOCATION

- Whether for private or business moves, we manage your office relocation to Vienna with the know-how of an experienced moving company.
- We take care of applying for and reserving parking spaces.
- We provide the packing materials you need for safe transport.
- If certain rooms still need renovation work, we offer clean and secure storage for your furniture.
- We handle your international move as competently as moves within Austria.

FAIR PRICES

Whether a business or private relocation to Vienna, we offer fair and customer-friendly prices for all moving services.
